March Challenges

Here are some fun activity ideas you can do with your child to practice concepts we are learning at school!
Have fun!

Practice writing your first and last name with lowercase letters.	Practice writing the numbers 1 to 30.	Count by 1's as high as you can.	Draw a picture showing an action word. Write a sentence using your verb.
Draw a picture showing your favorite kind of weather. Write about what you like to do.	Draw a rainbow. Label the colors.	Count the number of chairs in your home. Show the number with tallies.	Make and solve 3 math story problems.
Make up a new family dance.	Help put away the dishes. How can you sort the cutlery?	Have someone hide 20 pennies around your house. Can you find them all?	Write your phone number 3 times.
Practice writing our sight words with chalk.	Make a card for a friend at school.	Read a fiction book. Discuss the problem and solution.	Play a card game.
